Your scholarship has allowed me to make lifelong friends and it has allowed me to gain family members which is so important because it's just me and my mom. I can't wait to become a CIT and a Staff Member one day! - Ocoee Camper

Because of you, my daughter has had an opportunity to embark on more than just an overnight camp experience. She has developed skills and qualities that will help her through her whole life. I am forever grateful. - Ocoee Parent

My children have made new friends, learned new skills, had new adventures and become more independent and mature because of the camp experiences. Thank you for your generous gifts; they are making a difference in the lives of young people. - Ocoee Parent

This has been such an invaluable experience for her and a blessing for us that cannot be expressed sufficiently in words. The feeling of being able to give your child hope and a new perspective on life is priceless, and we could not have provided this without the generosity of the donors. We thank you from the bottom of our hearts!!! - Ocoee Parent

It may seem like a small thing, to be able to send a child for a week away at a summer camp, but I assure you that this one tiny constant for him, to come back to the same place year after year, is a BIG deal. I thank you on behalf of my son, and all the families that are not only looking for a sense of normalcy, but also a week of something special.
