

## New Online Registration System for Summer 2021

Click the "Register Now" link to access the registration system. Click Login in the blue bar at the top of the page

You will need an account to register for programs. Do not create a new account if you are a current YMCA of Chattanooga Member or have signed up for a program with the YMCA of Chattanooga (YMCA Camp Ocoee) during the last three years, you already have an account. If you already have an account, contact the camp office at [info@campocoe.com](mailto:info@campocoe.com) or 423-338-5588 so we can set up your account. Our office is open Monday-Friday 9am-4pm. We will need the camper name and address for confirmation to set up the account.

Under "Branch" choose Camp Ocoee, then click "Search" at the top of the page to see the 2021 camp sessions.

Choose your camp session based on the age of your camper by the begin date of the session. Serving boys and girls ages 7-12 in our Younger Camp (YC), ages 13-16 in our Older Camp (OC).

If the camper has attended Camp Ocoee in the past 3 years and does not show as an available camper, do not add them. First, go to "My Account" at the top of the page, then select "My Family" to check their relationship with you. They should be listed as a "Child". If they are not "Select an Action" and select "Edit Relationships". This will allow you to edit their relationship to child and yours to parent.

Through this online system you can update your contact information, update health information, view programs, and make payments on your account. Just click "MY Account" in the blue bar at the top of the page to access your account.

Send us an email with your questions at [info@campocoe.com](mailto:info@campocoe.com) or call us at 423-338-5588. Our office is open Monday-Friday 9am-4pm.
