

**LEND A HAND.
LIFT A COMMUNITY.**
2020 Community Support Campaign

NEVER STOP SERVING

YMCA CAMP OCOEE SCHOLARSHIP FUND

Summer Fun. Lifetime Memories. Eternal Values.

Today, achieving our mission means thinking outside of the box and making a new game plan for camp. 2020 Camp meant new processes and tough choices, but this year has showed us that our youth need us more than ever.

In this world today, our mission is more relevant than ever before. The Community Support Campaign (CSC) for the Camp Ocoee Scholarship Fund provides support to children and their families who would otherwise not have the means to have a camp experience. Camp allows children to build strong relationships with others different than them, gain confidence in who they are, practice good decision making while making memories that will stay with them for the rest of their lives.

When we each lend a hand, we can lift our community and change one life at a time.

YEAR #97 AT CAMP OCOEE

- Over 600 campers served -- 65% capacity
- 20% of campers attended with the help of the Scholarship Fund
- Staff & families adhered to new safety protocols that lead to a healthy camp all summer long!
- Cabin "families" forged strong friendships as they did all their activities together.

THE Y. For a better us.

"At camp, I feel like I am with people I love and I can be myself. I used to want to be like other people, but not anymore. My counselors helped me to see that."

-Amanda P. , 10 years-old

"I learned about the core value, respect. I have learned to be more respectful of others and to have a better attitude. Respect for others takes you a long way."

-Aaron D., 14 years-old
