## **YMCA Camp Ocoee's Mission**

YMCA Camp Ocoee is fully committed to the overall well-being and health of our campers and guests. We commit to provide an excellent Christian focused camper experience for all of our participants. We uphold the YMCA's mission of putting Christian principles into practice through programs that build a healthy spirit, mind, and body for all.

### **Christian Emphasis**

YMCA Camp Ocoee sees the development of Christian character as the primary objective of a camper's experience. Each day an interdenominational chapel service or devotion is given by staff and cabin groups. The opportunity to discuss the day's activities provides a meaningful tool in developing a stronger Christian faith.

## Getting Ready For Camp

### **Cabin Assignments**

Cabin assignments will be made on the basis of age, gender, and school grade. One of the goals of camp is to encourage new friendships; therefore, we recommend that close friends not always be placed in the same cabin. Mutual buddy requests from campers are honored for campers within one year of age, same gender, and enrolled in the same program and session; however, older campers will always be placed with the younger cabin. Therefore, both campers must have the other listed as their "Cabin Mate request" on their registration form to ensure the pairing is made. To ensure the best experience for all campers in the cabin group, we do our best to limit large groups of campers who already know each other from being placed in the same cabin. We can only honor one mutual and exclusive cabin mate request. We encourage you to coordinate your cabin mate request with the other family in order to ensure a smooth placement, and make sure both campers are registered for the same week. If you have a special situation which you feel should be considered, please call at least two weeks prior to the session. Please remember that even if two individuals are not in the same cabin, there are many opportunities to spend time together in camp. Campers are not able to request specific counselors or cabins. Cabin Assignments are made two weeks prior to each session and are a careful, hour's long process that takes into account a number of different variables.

### **Camp Store**

Our Merchandise store, "The Outfitter", will be open on opening and closing day of each session. At this store you will be able to purchase t-shirts, water bottles, stuffed animals, and other YMCA Camp Ocoee merchandise. **Merchandise will only be sold on opening and closing day.**

The campers will receive a snack and a drink daily at no additional charge. Campers do not need any cash while at camp.

### **Weekend Stayover**

Campers attending multiple one week sessions may choose to participate in activities between sessions by registering for Weekend Stayover for an additional fee of \$100. Stay over is specially planned between the sessions and usually includes activities at camp, time for rest, pizza, movies, and more. Parents who choose to take their campers out of camp for the weekend must do so during normal Check-in and Check-out.

### **Camper Laundry**

Camp provides laundry service only to campers who are registered for Weekend Stayover. **A laundry bag is required to use this service.** All clothing and laundry bag should be labeled with camper's name. The charges are covered by the Stayover Fee.

### **Airport/Bus Transportation**

Camp Ocoee will offer transportation for an additional fee when campers arrive by bus or plane. All incoming campers must arrive in Chattanooga by 12:00pm on Sunday and depart by 12:00pm on Saturday. This site is password protected for the safety of the campers. The password needed to access the pictures will be sent to you prior to the session and is also available during check-in.

Cabin photos will be posted after each session on the Camp Ocoee Facebook page. "Like" us at [www.facebook.com/ymcacampcoee/](http://www.facebook.com/ymcacampcoee/).

## **Homesickness**

It is perfectly normal for new and returning campers to miss family, friends, and pets while at camp. Most campers need 2 days to adjust to a new routine and their new cabin mates. By Wednesday parents sometimes receive a "please come get me now" letter. Campers are most likely having fun at this point in time and have adjusted to the new environment. If your camper is experiencing abnormal homesickness, the Cabin Life Director will initiate the following process.

Step 1 – The cabin counselors will work with the camper and notify the Cabin Life Director

Step 2 – The camper will write the Cabin Life Director a letter expressing their feelings, and the director will call the parents and share the information. The Cabin Life Director and parent will partner to create a plan for the camper.

Step 3 – The Cabin Life Director will meet with the camper and discuss the plan made with the parents.

Parents can help their camper adjust to camp by following simple steps: Do not make a "pick-up deal" with your camper, encourage your child's independence throughout the year, practice separations, involve your child in the process of choosing a camp, discuss what camp will be like, pack a personal item from home, send encouraging emails to your camper during the week (do not refer to things they are missing at home or people or pets that miss them).

Visit <https://www.acacamps.org> for more information about preparing for camp.

## **Camper Care**

The Infirmary is staffed by medical professionals 24 hours a day for urgent medical situations. Our team of medical staff provides care and supervision of camper safety and health. **All camper medications, including vitamins and over-the-counter medications**, must be checked in with the Infirmary staff at check-in. All medications must be in their original containers and turned in to the Infirmary. Medication will be administered as directed on the bottle and must be clearly marked with the child's first and last name. **No medications (including OTC meds) are allowed in the cabins.** If your child has a severe allergic reaction and needs an Epi-pen or needs immediate access to an asthma inhaler, please discuss these needs with the nurses upon check-in. Campers who are not feeling well have the opportunity to visit the Infirmary. In the event that a camper spends the night in the Infirmary or there is a serious situation, parents will be called. All staff is trained in First Aid and CPR.

All campers are required to go through a lice check on check in day as a part of their cabin tour. If your camper is found to have lice, they will be required to return home until clear of lice and nits. Once treatment of the camper and belonging has occurred at home, the camper can return to camp. It is highly recommended to check your camper for lice prior to arriving for camp.

## **Birthdays**

Birthdays are super special at Camp Ocoee. Campers are recognized at lunch with a song. Parents wishing to have something special delivered (birthday cake, balloons, etc...) are welcome to contact the Cabin Life Director to make these arrangements.

## **Dining Lodge**

Appealing and nutritious meals are prepared under the careful supervision of our trained dietary staff and satisfy the hearty appetites of campers and staff. Fresh fruit, cereal, hot breakfast and vegetables are offered every day. A salad bar and sandwich bar are available at lunches and dinners. At mealtime, as well as with all other camper activities, mature and knowledgeable counselors gently guide campers toward healthy and appropriate choices. **Special dietary needs and food allergies should be indicated on the camp health history.** If your campers has uncommon dietary needs please be prepared to bring their special food to camp with you so we can ensure they have the appropriate food. Camp Ocoee maintains a grade "A" rating from the Tennessee Board of Health.

# The Fine Print

## **Camper Discipline Policy**

Our goal is to guide children in becoming happy, responsible, and cooperative participants through positive techniques. In the event that behavior requires discipline:

- Staff action will not damage the child's self-image or embarrass the child.
- Staff action will help children learn self-control, choose alternatives, identify feelings, and develop an understanding and respect of feelings for others.
- Staff will communicate with families regarding severe behavior concerns.
- Every effort will be made by staff to enlist the cooperation of the child and parents to solve problems.

Campers are expected to follow the instructions of camp counselors and other Camp Ocoee staff. In respect to discipline, Camp Ocoee has established two levels of behavior classifications (Type I and Type II behaviors) with consequences for each. It is not our intention to alarm parents, but rather to make everyone aware of our discipline policies.

**TYPE I** behavior includes (but is not limited to) serious infractions such as damage or theft of property, assault, possessing weapons, tobacco or tobacco products, alcohol, narcotics or illegal drugs, gang-related activity, sexual misconduct, bullying, repeated Type II violations, and any conduct that may be detrimental to the best interest of the other campers.

Type I behavior can result in immediate suspension or dismissal from camp. Parents will be responsible for providing transportation to return the camper home. No refunds will be issued.

**TYPE II** behavior is less serious, but disruptive, and therefore unacceptable. This includes (but is not limited to) infractions such as profanity, verbal abuse, tardiness, and uncooperative behavior. Campers who engage in Type II behavior will be told of their unacceptable behavior and asked to correct it and offer solutions.

Further problems will result in a written reprimand with logical consequences, and viable alternatives for future behavior will be discussed or may result in a meeting with the Cabin Life Director and the parent to discuss the behavior or special circumstances and possible suspension or dismissal from camp.

Suspension or Dismissal from Camp Ocoee could occur by the following:

- Inappropriate behavior(s) that cannot be solved after repeated attempts
- When behavior of a child becomes detrimental to him/herself and others

## **Property and Equipment Damages**

To teach responsibility, in the event that a child deliberately damages any camp property or equipment, the child/parent will be responsible for the cost of replacement.

## **Shared Responsibilities**

Personal responsibility and group cooperation are important elements of the camp experience. Mature, caring counselors work with campers on the importance of caring for one's own personal belongings, assisting in daily camp clean-up, and pitching in on general camp tasks known as "shared responsibilities."

Camp Ocoee will use "Think Sheets" to document concerns regarding behavior changes or patterns being established. These concerns will be communicated to parent with a phone call from the Cabin Life Director or Assistant Camp Director.

## **Visitation/Phone Calls**

Camp Ocoee does not have a visitation day, although letters and e-mails are welcomed and encouraged. Parents are also invited to look over the facilities and meet staff on check-in day. Camp Ocoee does not permit campers to make or receive phone calls. (Especially when campers are homesick, we have found that calls from home disrupt the camper's adjustment to camp life.) If an emergency situation arises at home, we ask that parents contact the camp office.

## **Insurance**

The YMCA of Metropolitan Chattanooga provides liability insurance for all of its programs. It is the parents' responsibility to provide their own health and accident insurance coverage for their camper. Parents/guardians should include their personal health insurance information in the space provided on the camper's Health Form. In the event of serious illness or accident, the parent will be notified as soon as possible. Parents/guardians are responsible for prescriptions and charges incurred for the outside medical treatment of their child, should medical services be required while in attendance at camp.

## **Parent Evaluations**

We appreciate your immediate comments and feedback about our staff and programs. If you see or hear of a problem with any part of our camp program or staff, please contact the camp office at 423-338-5588 or e-mail B.J. Davis at [bdavis@ymcachattanooga.org](mailto:bdavis@ymcachattanooga.org) so immediate corrections can be made.

A parent/child evaluation form will be sent home with each camper at check-out. Your sincere response is requested and appreciated. The evaluations are available online at our web site: [www.ymcacampcoee.org](http://www.ymcacampcoee.org).

## **Payments and Refunds**

A \$100 deposit is due with each registration (per child per session). The balance for the registration is due May 14, 2021.

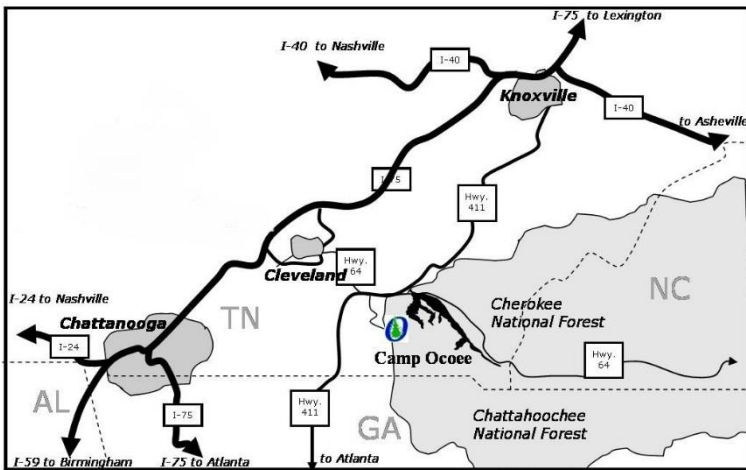

A \$100 deposit per session is required with registration and is 100% refundable until May 14, 2021. If Camp Ocoee receives written notification of cancellation prior to May 14, 2021, I will receive a full refund of all fees paid. Notification after May 14, 2021 will result in the loss of the \$100 deposit (per session, per camper). Cancellations made less than 2 weeks prior to the start of your respective session will forfeit all previous payments. Cancellations can be emailed to [info@campcoee.com](mailto:info@campcoee.com) or mailed to: 111 YMCA Drive, Ocoee, TN 37361.

Any camper leaving prior to the end of the stated period of session is not entitled to a refund except in case of illness or accident.

Camp management reserves the right to refuse acceptance or program continuance of any participant deemed detrimental or not in the best interest of participant or Camp Ocoee.
