

Stage 2 Projects

All stage 2 projects involved the Ellis Dining Hall which was opened summer 1971.

- Renovated kitchen- new kitchen equipment, central heat/air, new flooring, painting and new countertops
- New lighting in dining room
- New windows and doors throughout the building
- New roof and Chimney repair
- Complete renovation of the lower level- sand and seal floors, new entryways, new lighting, new countertops in bathrooms.
- Painting the interior and exterior of the building
